GEOPRESS PURIFIER

24 FL OZ 710 ML

★★★★★
1200+ 5-STAR REVIEWS

No other portable purifier rivals GeoPress in speed, simplicity, versatility and effectiveness. Designed for use anywhere on the planet, GeoPress purifies and filters 24 ounces of water in a blazing eight seconds (5L/min), nearly twice as fast as any other purifier. It requires no setup time, and makes clean, safe drinking water from hotel sinks, sketchy spigots, rivers and lakes.

IMPROVES TASTE

SMELL AND CLARITY. MAKES WATER CLEAN AND SAFE TO DRINK.

Our shared planet overflows with wonders, flavors and cultures. We have the privilege to explore it and the duty to protect it. Grayl empowers sustainable adventure with global protection from all waterborne pathogens – even virus. The convenience, efficiency and effectiveness of **Fill. Press. Drink.™** is unmatched by any other water purifier (or filter). It allows anyone, anywhere, to drink from hotel sinks, beach-side taco stands, public bathrooms, as well as rivers and lakes.

ELECTROADSORPTIVE MEDIA

Captures pathogens and inorganic contaminants like a magnet.

ION EXCHANGE & ACTIVATED CARBON

As dirty water is forced through the purifier media, ion exchange permanently binds pathogens (i.e. virus, protozoa, bacteria). Activated carbon adsorbs chemicals, heavy metals, flavors, and odors.

CLEAN SAFE WATER

Once purified; water is ready to chug, sip or store for later. Purify water, anywhere in the world.

NEW! SYNDICATED REVIEWS FOR RETAILERS

Grayl has 2,000+ 4.9 star reviews on the Yotpo review platform which is tops for any global water purifier brand. In late-2020, we integrated Yotpo with Bazaarvoice to seamlessly syndicate our best product reviews and user-generated content to the Bazaarvoice global retailer network (1900 retailers) to drive trust, engagement and sales to local shops. This new partnership will better empower customers with social proof to drive retail sales.
